Within the past ten years, almost half of its history, Eagle Mountain City has embraced the concept of limited government and using creative solutions to address needs in the city.

We are proud of our staff, elected officials, residents, and community partners for all we have been able to accomplish together, and look forward to more milestones as we continue to grow.

Following are highlights from the past decade:

**Growth**
- 47% increase in population since 2008 (22,309 to 32,980)
- 3,336 residential building permits issued since 2010 and 37,103 inspections
  - Outsourced certain inspections to increase efficiency and allow inspectors to do more elsewhere

**Financial**
- 44% decline on general government costs per capita since 2010
- Sales Tax generation increased 163% from 2009 to 2017 (economic development efforts)
- No new General Obligation (bond) debt and refinancing on existing bonds saved money
- Selling gas & electric utilities reduced our debt by half
  - Debt per capita dropped by 60% from $2,015 to $822
- Selling gas & electric utilities allowed for: (with no tax dollars used)
  - Funding of 60 acre Cory B. Wride Memorial Park
  - Increased trail connectivity
  - Improvements along trails (benches, garbage cans, shade, landscaping)
  - Park improvements in 10 parks throughout the city
  - Nolen Park splash pad upgrades and pavilion
  - Cemetery fencing and upgrades
  - Bathrooms added to four parks
  - $1,000,000 in changes to median landscaping
  - Emergency preparedness measures for wells
  - Widening portion of Pony Express Parkway
  - Creation of $1,000,000 neighborhood match grant program
  - One-time fees for one-time costs: development revenues going towards street repairs, parks, other capital projects
  - Never raised property taxes through truth in taxation process

Principles

• Limited government
  o Public/private partnerships
  o Living lean
• Employees believe in taking on additional work and responsibilities when necessary.
  • Find creative ways to get things done.
  • Succession planning
    o Always looking for the next man up, flattening out the organization to allow for more individuals to gain managerial and leadership experience
• Elected officials
  o Courage to take an unconventional path at times
  o Faithful to a vision of what Eagle Mountain can become
  o Fiscal responsibility with a commitment to providing necessities to taxpayers

The Mayor’s Choice for recommended reading this month for teen and adult levels is the thriller “One Second After” by William Forstchen. This book is recommended reading for city staff because it deals with an all-too-real potential emergency situation. If an electromagnetic pulse hit North America and permanently disabled every electric device, life as we know it would instantly come to a standstill. What would you do then?

The Mayor’s Choice for family Reading brings together two series collections, “Nancy Drew,” ghost written under the pseudonym Carolyn Keene, and “The Hardy Boys,” ghost written under the pseudonym Franklin Dixon. These books make great bedtime reading. My children love them and are motivated to get to bed if the payoff is Dad reading a chapter or two from one of these classic cliffhangers.

Yard/Garage Sales in Eagle Mountain

With the pleasant, warmer seasons upon us, some residents are undoubtedly making plans for yard/garage sales. Eagle Mountain City wants to help make your sale successful and therefore has instituted the following:

• The City has created an interactive map to help residents spread the word about their yard and garage sales.

• You may register using the map mentioned above to provide information about your sale. Residents can also use this map to see upcoming sales. The map automatically refreshes every Monday.

• Please note: If you are planning to post signs to advertise your sale, pre-registration is required or signs may be removed.

We hope that both sellers and shoppers will find this information useful and wish you all a successful yard/garage sale season.

Landscaping

17.60.020 Purpose

Properly placed landscaping can lessen the impact of dust, heat, erosion, and wind. Landscaping and fencing are also encouraged when used as buffers and screens against undesirable views.

17.60.040 General landscape provisions

The following landscape provisions shall be adhered to by all land uses unless otherwise noted:

A. Park Strips. Park strips adjacent to residential dwellings shall be landscaped and maintained by the property owner whose property abuts the park strip (between street and sidewalk).

B. Landscape Maintenance. All landscaped areas shall be maintained by watering of landscaping, removal of weeds, the cutting of lawn or any other activities required to maintain healthy and aesthetically pleasing landscaping. Topping of trees as a pruning technique is prohibited.

C. Tree Clearance. Trees which project over any sidewalk shall be pruned clear of all branches between the ground and a height of eight feet for that portion of the foliage located over the sidewalk.

D. Clear Vision Triangles. No landscaping over three feet in height shall be allowed within a clear vision triangle as shown in this chapter except trees with single trunks that are pruned such that all branches and foliage are removed to a height of at least eight feet.

17.60.100 Residential landscape requirements

All single-family dwellings shall have the front yards landscaped within one year and back yards within two years of receiving a certificate of occupancy, unless required sooner through the project’s CC&Rs or a development agreement.

The Sheriff’s Office at City Hall is open Monday–Thursday, 8 a.m. to 5 p.m. If they are not in the office you may call Dispatch at 801-794-3970 and they will send an officer to take care of your needs. For emergency situations, please dial 9-1-1.
Off-Highway Vehicles Safety Reminders

Eagle Mountain City would like everyone to be safe and in compliance with the law while enjoying the OHV trails in our community. The following are required by City Code:

- Anyone operating an OHV must be a licensed driver (age 16+) under the laws of the state of Utah.
- OHVs should not be operated on paved public trails or public streets unless where authorized. Details on allowed streets and assigned crossings are available on the city website.
- OHVs shall not be operated in excess of 20 MPH.
- OHVs are not allowed on private property without the permission of the property owners.
