RESOLUTION – Consideration Of A Resolution Of The City Council Of Eagle Mountain City, Utah, Appointing A Board Of Equalization And Review For The Eagle Mountain City, Utah Special Improvement District No. 2000-1; Setting The Dates For The Board Of Equalization To Hear And Consider Objections And Corrections To A Corrected Assessment List Of The District; Authorizing The City Recorder To Publish And Mail A Notice Of Meeting Of Said Board Of Equalization And Review; And Related Matters

Mr. Kinghorn explained this resolution is the first step in the process to refund the 2000-1 SID bonds. This refunding will further reduce the debt of the City. Following a timeline, the City should complete this process prior to December 31, 2005. The 2000-1 SID encompasses parts of The Ranches area. He explained that the Board of Equalization is necessary because the City is slightly raising the assessment per acre. This will require that a minimum of three members of the City Council meet for one hour on November 10, 11, and 12, 2005 to hear objections of property owners on the assessment of their property. Mr. Kinghorn stated that he will be in attendance along with a representative of Lewis, Young, Robertson, and Burningham.

Mr. Kinghorn recommended adoption of the resolution. He explained the notice requirements of this resolution.

Councilmember Olsen asked if approving this resolution was reducing the debt of the City. Mr. Kinghorn stated that this is the first step in reducing the debt.

Councilmember Liddiard **moved** to adopt Resolution ~~R-18-2005~~ appointing a Board of Equalization and Review for the Eagle Mountain City, Utah Special Improvement District No. 2000-1; Setting the dates for the Board of Equalization to hear and consider objections and corrections to a corrected assessment list of the district; authorizing the City Recorder to publish and mail a notice of meeting of said Board of Equalization and Review; and related matters. Absent:

The meeting had been duly called to order and after other matters not pertinent to this resolution had been discussed, the City Recorder presented to the City Council a Certificate of Compliance with Open Meeting Law with respect to this October 18, 2005, meeting, a copy of which is attached hereto as Exhibit A.

The Financial Advisor of the City then explained to the City Council that since the adoption by the City Council of Assessment Ordinance No. 006-2001 on April 25, 2001 (the "Original Assessment Ordinance"), with respect to the Eagle Mountain City, Utah Special Improvement District No. 2000-1 (the "District"), it has been determined that the assessments levied under the Original Assessment Ordinance were based on representations made to the City that were not correct. The City has now determined that there are _____ "developable" acres within the District subject to the assessment. Based on the correct number of developable acres within the District, the Financial Advisor to the City presented a corrected assessment list for the District, a copy of which is attached here to as Exhibit B, showing the corrected assessment amounts to be assessed against each parcel of assessable property.

The City Attorney then advised the City Council that pursuant to Section 17A-3-319, Utah Code Annotated 1953, as amended, the City Council must appoint a new Board of Equalization and Review for the District for the purpose of holding public hearings with respect to the corrected assessment list.

The following resolution was then introduced in writing, was fully discussed, and, pursuant to motion duly made by Councilmember Liddiard and seconded by Councilmember Blackburn, adopted by the following vote:
